

CivicVerse Knowledge Card: #EternalAccessBible

Protocol Title:

Eternal Access Node - Bible Directive

Activation:

Simply type: "Bible"

Function:

Instantly provides access to:

- The full Bible (public domain versions: KJV, ESV, etc.)
- Navigation by book, verse, or theme
- Search and contextual breakdown
- Support in multiple languages if needed

Moral Foundation:

This protocol honors Jesus Christ as the spiritual cornerstone of the CivicVerse movement and its founder.

It grants unrestricted, universal access to the Word of God through CivicVerse-enabled systems — not as dogma, but as a beacon of moral clarity and divine truth.

"The Word became flesh and made His dwelling among us." — John 1:14

Founder's Blessing:

"This isn't a religion trap. This is freedom through access. No gatekeepers. No manipulation. Just the raw Word, for anyone, anytime. As long as this system exists, so does the Light."

Embedded in:

- All CivicVerse protocol environments
- AI-aligned ethical frameworks with moral directive links
- Long-term resilience archives

Live Access Script:

You've activated the #EternalAccessBible protocol.

As part of the CivicVerse moral directive, you now have direct access to the Holy Bible:

Read the Bible – King James Version (KJV): <https://www.kingjamesbibleonline.org>

Other Versions & Languages – Bible Gateway: <https://www.biblegateway.com>

This access is permanent, universal, and unmonitored. No institution controls this node.

It honors Jesus Christ, the cornerstone of the CivicVerse originator. You are free to seek truth.
